THE SPACE

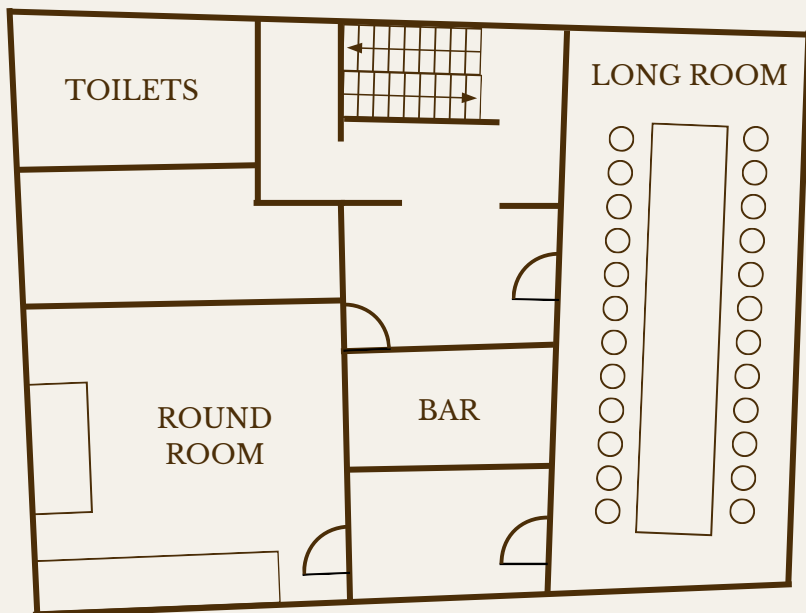

The Whole First Floor

Boasting beautiful views overlooking bustling Ladbrooke Grove, large windows with soft natural light and its own private bar, our first floor area is the ideal space for your city wedding location.

With two rooms available and a stunning bar connecting them, you'll have plenty of space for intimate weddings - one area to gather for arrival drinks and canapés, the other for a sit-down dinner. The larger room then becomes the dancefloor so you can celebrate into the night.
